April 1, 2023

Aloha,

With the start of summer just a few months away, ALU LIKE, Inc. would like to announce the opening of the Native Hawaiian Summer School Assistance Program (NHSSAP) for 2023. Families with children currently in grades K-12 attending a Department of Education, Public Charter, or select private school ([www.hais.org](http://www.hais.org)) are welcome to apply. This statewide program provides an application for financial assistance to all qualified students with a preference for applicants of Native Hawaiian ancestry to the extent permitted by law.

Enclosed is information about the NHSSAP, consisting of the following:

- Poster
- Instructions for the schools that will provide summer school services (includes voucher sample)
- School Instructions for Invoice and Grade(s) & Attendance Forms

We are requesting that the poster be displayed, if possible. Families seeking summer school tuition assistance can apply online at [www.alulike.org/nhssap](http://www.alulike.org/nhssap).

Due to limited funding, it is strongly recommended that applications be submitted early. Applications will not be accepted after June 9, 2023. Awards will be made on a first-come, first-served basis.

If there are any additional questions from summer school program staff and/or parents, please contact us at [NHSSAP@alulike.org](mailto:NHSSAP@alulike.org).

Mahalo,
