“Thank you for helping me financially throughout my program. Going back to school was always my dream, but being able to afford it financially was a burden on me. With the help of the Hana Lima Scholarship Program I was able to take the financial stress off my shoulders. Your help is greatly appreciated!”

Debreen Jasmine Lum, Hawai‘i Medical College Health Administration

“This scholarship has been a blessing for me. It was my second chance to prove that I am more than my past GPA and mistakes. I brought my grades up to a 4.0 these past semesters, and proved that my severe disability will not keep me from working hard. This scholarship has given me the opportunity to completely change my plans to accommodate my disability and will let me use my experiences within the Human Services and Healthcare field to better assist those who need help. And for that I am forever grateful.”
